MISSION STATEMENT

THE AMERICAN LANDOWNER

Our readers belong to an exclusive club. Membership is as varied as lifestyle and locale, but what unites all landowners is a passion for land. The reasons to buy land are as diverse as the topography of our great country. Some invest. Others like to get their hands dirty. Then there are the folks who just want to get away from it all. The Land Report is their magazine: The Magazine of the American Landowner.

THE LAND REPORT

Our magazine is the voice of the asset class. It provides breaking news, priceless information, and unique insight into America's land for existing and potential landowners and investors. The Land Report profiles dedicated landowners, identifies investment opportunities, and explains ways to improve and conserve land, provides legislation updates, and highlights the best gear, equipment and services for landowners.

AUDIENCE

The tip of the spear for The Land Report is our exclusive distribution relationship with Signature and Atlantic private jet terminals, or FBOs (fixed-base operators). We invest in pockets on professionally maintained newsstand displays in the top FBO locations across the country each month, based on monthly foot traffic and geographic diversity.

WHO WE TARGET: ULTRA HIGH NET WORTH INDIVIDUALS (UHNWI)

Ultra high net worth individuals are defined as individuals with a net worth in excess of \$30 million. Only 250,000+/-people in the U.S. population are considered UHNWI, or less than one-tenth of 1%.

WHERE WE TARGET: UHNWI

Private Jet Terminals (FBOs).

AVERAGE PRIVATE JET TRAVELER NET WORTH?

Full jet owner, \$190M.

Fractional jet owner, \$140M.

DISTRIBUTION

WWW.LANDREPORT.COM

We also distribute our publication to members of [The Texas Alliance of Land Brokers](#), to every member of Congress and all 50 governors.

Lastly, we distribute to many trade shows and conferences, include private family office conferences, key hunting and fishing trade shows, and the #1 land conference each year — [The Land Investment Expo](#).

TESTIMONIALS

DEAN SAUNDERS
SAUNDERS REAL ESTATE

"The Land Report has been a beneficial resource for the industry, not only as a channel to share top listings with the nation but because of the magazine's journalistic quality. Eddie Lee Rider has a finger on the pulse of the land market across the country, and I appreciate Eric O'Keefe's deep dives into the people and places of lore in this industry. They've made appreciation for the land accessible to a broad audience, which is great for those of us in the profession."

SAM MIDDLETON
CHAS. S. MIDDLETON & SON

"I have always enjoyed working with Eric O'Keefe and *The Land Report*. Over the years, Eric has become a friend and we talk on a fairly regular basis. Eric has always supported my projects, especially the Waggoner Ranch and Boone Pickens' Mesa Vista Ranch. I am starting to market two new large projects, the 6666 Ranches and the Matador Ranch. I am looking forward to working with Eric and *The Land Report* on these properties."

TODD RENFREW
CALIFORNIA OUTDOOR PROPERTIES
& OUTDOOR PROPERTIES OF NEVADA

"I have been working with Eric and Eddie for over 12 years. *The Land Report* is one of the few publications that understands land. Their passion for it can be seen in their excellent articles and insights. Their unique expertise has led them to be a leader in land marketing and is a must if you are serious about selling farms, ranches, and recreational properties. When we listed and sold one the largest ranches in California, the 50,500-acre N3 Cattle Company, *The Land Report* was instrumental in our success."

TRAVIS DRISCOLL
BEAVERHEAD RANCH GROUP LLC

"The Land Report has been nothing short of transformative for our brokerage; the incredible quality, unmatched reputation, and powerful distribution have helped us become 'the mouse that roared.' Eddie Lee Rider and Eric O'Keefe have been true champions of ours — offering insight, support, and opportunities that go far beyond the pages of the magazine. Their dedication to the land market and to those who work in it is unparalleled. Thanks to *The Land Report*, our brand is now recognized alongside the best, and our voice carries farther than we ever imagined."

DAN MURPHY
M4 RANCH GROUP

"Seldom does a person, entity, or platform rise above. When they do, it accelerates an industry, closes a gap, fills a need. *The Land Report* is just such a company. The company's efforts in all aspects — print, digital, social and imaging — have risen above and have lifted an industry. M4 Ranch Group enthusiastically partners with The Magazine of the American Landowner."

TOM BRICKMAN
CYPRUS PARTNERS

"A little something extra! It's what we always get from Eric and Eddie Lee at *The Land Report*. We do very little print-media marketing. But we always do on major projects, and *The Land Report* is our first choice. We have been able to directly tie some sales to full-page ads purchased in *The Land Report*. And the bonus: free add-ons and value-added items you can't put a price on. We've never doubted decisions to run ads with *The Land Report*."

SCOTT H. SHUMAN
HALL & HALL AUCTIONS

"When marketing land auctions, *The Land Report* and LandReport.com is the first stop for Hall & Hall Auctions! Comprehensive credibility makes *The Land Report* a must-buy for any land marketing program!"

GREG FAY
FAY RANCHES

"*The Land Report* magazine has provided an essential service to a segment of real estate that has been devoid of a source of industry news and information. We have found that serious land investors read *The Land Report*, making it the ideal magazine in which Fay Ranches maintains a strong presence."

DAX HAYDEN
HAYDEN OUTDOORS REAL ESTATE

"I have had the pleasure of working with Eddie Lee and Eric for over a decade, and their passion for the land is second to none. *The Land Report* truly understands this industry — its people, its challenges, and its stories. As one of the largest land brokerages in the country, Hayden Outdoors values a partner who strengthen the entire land community. *The Land Report* continues to be that partner."
